TO WHOM IT MAY CONCERN:

This is to inform you that we have experienced Tammy Kennedy and the Craton technique personally, for almost two (2) years, as have many of our clients. We are pleased to report that the technique Ms. Kennedy performs has proven highly satisfactory for myself, my companion, and our clients.

Two (2) years ago Ms. Kennedy using this technique, corrected in just 3 sessions, an extreme "S" spinal curvature in my now 63 year-old companion. To date all of our clients who have experienced Ms. Kennedy and this technique are pleased with the outcome. We find Ms. Kennedy and the Craton technique to be of great value. We wish she lived near so that more of our clients could be helped.

You are very fortunate to discover Ms. Kennedy and this unique technique that she offers. Whether you are a D.C., a D.O., Alternative Health Practitioner, or an M.D., you may wish to learn this technique as well. In a time when so many people are searching out alternative techniques and natural healing methods it would be a pity for this work to die out when it's methods have been proven so successful.

If you wish further information, do not hesitate to contact us.

Sincerely,
